I wish to thank you for the opportunity of meeting you and the cordial reception you accorded to me.

I passed on your comments to Mr. Randall and he was much relieved to realize that nothing had transpired to impair our fine working relationship.

I also wish to thank you for the referral you gave me to Mr. Lerner. I called him as you suggested and have arranged for Mr. Jones to contact him sometime this week.

Both Al and I are looking forward to meeting with you and Len in the not too distant future.

Sincerely,
